

WYOMING GAME AND FISH COMMISSION

CHAPTER 46

FISHING REGULATIONS

Section 1. Authority. These regulations are promulgated by authority of W. S., §23-1-302, §23-2-206, §23-2-209, §23-3-201, §23-3-202, §23-3-308, §23-3-401, §23-4-101, §23-4-103, and §23-6-111.

Section 2. Effective Date. These regulations are effective April 15, 2008 and shall remain in effect until modified or rescinded by the Commission.

Section 3. Definitions. For the purpose of these regulations, definitions shall be as set forth in Title 23, Wyoming Statutes, and the Commission also adopts the following definitions:

(a) “Artificial Flies and Lures” means manmade flies and lures. Artificial lures include spoons, spinners and plugs made of metal, plastic, wood and other non-edible materials, or plastic products made to resemble worms, eggs, fish and other aquatic organisms. Artificial flies includes flies, streamers, jigs, and poppers tied from such materials as thread, feathers, hair and tinsel. Artificial flies and lures does not include living or dead organisms or edible parts thereof, natural or prepared organic food stuffs, or chemical attractants.

(b) “Artificial Light” means any man-made light or lighting device.

(c) “Bait” means living or dead organisms or edible parts thereof, natural or prepared organic food, and chemical attractants used in the taking of fish.

(d) “Baitfish” means nongame fish.

(e) “Creel limit” means the number of game fish a person may catch and reduce to possession during any one (1) day, or have in possession.

(f) “Dates” means the dates mentioned are inclusive.

(g) “Day” means calendar day.

(h) “Drainage” means the river or stream proper and the area of land, including all streams and standing waters, which drains into that river or stream.

(i) “Fishing Contest” means any event for catching fish from waters open to public use where an entry or participation fee is charged and fifty (50) or more adult (18 years of age or older) anglers participate on a given date.

(j) “Game Fish” means:

(i) bass (GENUS *Micropterus* and *Ambloplites*);

- (ii) sunfish (GENUS *Lepomis*);
- (iii) crappie (GENUS *Pomoxis*);
- (iv) walleye and sauger (GENUS *Sander*);
- (v) yellow perch (GENUS *Perca*);
- (vi) trout, salmon, and char (GENUS *Salmo*, *Oncorhynchus*, and *Salvelinus*);
- (vii) whitefish (GENUS *Prosopium*);
- (viii) grayling (GENUS *Thymallus*);
- (ix) pike (GENUS *Esox*);
- (x) catfish and bullheads (GENUS *Ameiurus*, *Ictalurus*, *Noturus*, and *Pylodictis*);
- (xi) burbot (GENUS *Lota*);
- (xii) sturgeon (GENUS *Scaphirhynchus*); and,
- (xiii) freshwater drum (GENUS *Aplodinotus*).

(k) “Hook” means a single hooked device or bait regardless of the number of prongs.

(l) “Lake” means a body of standing water in a depression of land and includes reservoirs, ponds (excluding ponds created by beavers) and gravel and mining pits.

(m) “Live Baitfish Dealer” means a person licensed by the Department engaged in the selling of live baitfish.

(n) “Live Baitfish Dealer of Record” means the designated individual legally accountable for all aspects of the live baitfish dealer.

(o) “Length” means the total length of a fish in inches, as measured in a straight line along a flat surface, from the tip of the snout to the tip of the tail.

(p) “Lure” means a single hooked device regardless of the number of hooks.

(q) “Nongame fish” means all fish not defined as game fish.

(r) “Possession limit” means the maximum number of game fish that may legally be in possession at any time and in any form. Game fish in transit or storage, including home or domicile, shall be considered in possession. Possession limits apply regardless of how many days an angler has fished.

(s) “Prize” means any award including but not limited to cash, merchandise, coupons, trophies or any other items of value.

(t) “Stream” means water in a permanent bed or channel with a current that is usually continuous in one direction and includes creeks, rivers, irrigation ditches, drains, canals, sloughs and ponds created by beavers. Streams may not flow continuously during low-flow periods. Ponds or puddles in a stream channel during low flow periods shall be considered to be a stream.

(u) “Snagging” means attempting to take a fish in a manner that the fish does not take the hook voluntarily in its mouth.

(v) “Special Fishing Contest Provision” means a provision promulgated for exclusion of fishing contests for specific waters.

(w) “Special Winter Ice Fishing Provision” means a provision promulgated for the ice covered period for specific waters.

Section 4. Seasons and Fishing Hours.

(a) Fishing is permitted year-round twenty-four (24) hours a day in any of the waters in the State except as otherwise provided by the Commission for specific areas, streams, lakes, or portions thereof. Exceptions are listed with the regulations for each drainage area in Sections 18, 21, 23, 26, 29, and 33.

Section 5. Methods.

(a) Except as otherwise provided, fish shall only be taken or fished for with a maximum of two (2) rods or poles, with lines and hooks attached and the angler in attendance. No line may have more than three (3) single hooked devices attached.

(i) It is legal to use hand lines, set lines, poles, or tip ups when fishing through the ice and the angler is in attendance.

(b) Eggs of salmonids (trout, salmon, grayling, whitefish, cisco) are the only parts that may be used legally as bait. Internal organs, eggs, eyes, fins, and skin of game fish other than salmonids are the only portions which may be used legally as bait. Any part of nongame fish may be used as bait. The use of bait may be restricted on specific waters as described in Sections 18, 23, 26, 29 and 33.

(c) It is unlawful to snag fish.

(d) No person shall use an artificial light with a sole purpose of aiding in the attraction or taking of fish. No person shall use any device to physically extend an artificial light over the water to attract fish. It is illegal to use or attempt to use artificially lighted hooked devices. Artificial lights used for navigation, safety, preparing fishing equipment, observing fishing rods and lines and artificially lighted bobbers are

legal. Artificial lights within watercraft or on the shore, which are not otherwise prohibited, are legal.

(e) Use or possession of corn while fishing is prohibited on all waters of the state.

(f) Use or possession of bait is prohibited in areas or on waters where fishing is permitted by the use of artificial flies and lures only.

(g) The following method restrictions apply for waters listed in subsection iv of this Section.

(i) The use of more than two (2) lines is permitted only during the ice covered period, and only when the angler is fishing through the ice, on waters listed below as being included under the Special Winter Ice Fishing Provision.

(ii) No person shall use more than six (6) lines at any time to fish.

(iii) When using more than two (2) lines, each line shall bear no more than one (1) hook, artificial fly or lure;

(A) The angler's name shall be attached to each line, pole or tip-up;

(B) The angler shall be no more than three hundred (300) yards from all lines; and,

(C) The angler shall check his/her own lines.

(iv) The following waters are included under the Special Winter Ice Fishing Provision.

(A) Alcova Reservoir in Natrona County.

(B) Big Horn Lake in Big Horn County.

(C) Big Sandy Reservoir in Sweetwater County.

(D) Boysen Reservoir in Fremont County.

(E) Flaming Gorge Reservoir in Sweetwater County.

(F) Fontenelle Reservoir in Lincoln County.

(G) Glendo Reservoir in Platte County.

(H) Goldeneye Reservoir in Natrona County.

(I) Gray Reef Reservoir in Natrona County.

(J) Grayrocks Reservoir in Platte County.

- (K) Guernsey Reservoir in Platte County.
- (L) Keyhole Reservoir in Crook County.
- (M) Kortess Reservoir in Carbon County.
- (N) Lake DeSmet in Johnson County.
- (O) Ocean Lake in Fremont County.
- (P) Pathfinder Reservoir in Carbon and Natrona Counties.
- (Q) Pilot Butte Reservoir in Fremont County.
- (R) Seminoe Reservoir in Carbon County.
- (S) Sulphur Creek Reservoir in Uinta County.
- (T) Wardell Reservoir in Big Horn County.
- (U) Woodruff Reservoir in Uinta County.

Section 6. Creel limits.

(a) Except as otherwise provided no person shall catch and keep during any one (1) day, or have in possession more than the number and length of fish specified as the general creel limits listed below. Except as otherwise provided no more than one (1) limit shall be caught and reduced to possession from each of the following eleven (11) categories. Please refer to subsection (c) of this Section. Exceptions are listed with the regulations for each drainage area in Sections 18, 23, 26, 29, and 33.

Category	Creel Limits
(i) Trout (in combination includes brown, cutthroat, grayling, golden, lake, rainbow, salmon, splake, tiger trout, and other trout hybrids). Excludes brook trout.	six (6) No more than one (1) trout shall exceed twenty (20) inches.
(ii) Brook trout	sixteen (16) No more than six (6) brook trout shall exceed eight (8) inches.
(iii) Whitefish	twenty-five (25)
(iv) Largemouth and smallmouth bass in combination	six (6)
(v) Walleye	six (6)
(vi) Catfish	six (6)

(vii) Northern pike and tiger musky (northern pike-muskellunge hybrid)	three (3) all northern pike and tiger musky less than thirty (30) inches in length shall be released to the water immediately.
(viii) Yellow perch, black bullhead, stonecat, crappie, rock bass, bluegill, pumpkinseed, green sunfish, green sunfish-bluegill hybrid, freshwater drum in combination	fifty (50)
(ix) Ling (burbot)	three (3)
(x) Sauger	two (2)
(xi) Shovelnose sturgeon	two (2)

(b) The total creel limit for the trout category, regardless of the water (streams or lakes) a person is fishing, shall not exceed six (6) trout. It may be less depending on exceptions for the specific waters being fished.

(c) Any fish caught that is not to be counted in the creel limit shall be immediately released to the water with as little injury to the fish as possible. Any fish placed on a stringer, in a container, in a live well, or not released immediately to the water, shall be considered to be reduced to possession of the angler and shall be killed prior to being transported from the water of origin. No fish that has been reduced to possession of the angler shall be released alive without prior written approval from the Department.

(d) All fish possessed or transported shall be kept in a manner that species and numbers can be determined. When length limits apply, the whole body shall remain intact (gills and entrails can be removed) while in transit or in the field. Where length limits do not apply, a piece of skin large enough to allow species identification (at least one (1) inch square) shall remain on all fish fillets while in transit or in the field. In addition, walleye and sauger caught in the Wind River, Big Horn River and Tongue River drainages shall remain whole (gills and entrails may be removed) until the angler is off the water and done fishing for the day.

(e) There are no creel limits on nongame fish. Nongame fish may be taken by the use of legal fishing methods during any season open for the taking of game fish.

Section 7. Seining and Trapping of Fish.

(a) Seining and trapping licenses (hereafter referred to as seining license) for the purpose of taking live baitfish may be obtained from Game and Fish Department Regional Offices or from the Cheyenne Headquarters.

(b) No person shall seine, net or trap live baitfish without first obtaining a valid seining license. A valid seining license is required when using a seine, net or trap to take baitfish, even those that will be used as dead bait. Any brook stickleback (*Culaea inconstans*) taken by a trap, net or seine must be immediately killed.

(c) No person shall have more than one (1) seining license each calendar year.

(d) Seining or trapping and use of baitfish shall only be done as specified in regulations for the specific drainage areas in Sections 19, 24, 27, 30, and 34. Locations where baitfish may be obtained and used shall be specified on the seining license.

(e) Legal gear for taking live baitfish include seines, traps, cast nets, umbrella nets and dip nets. There are no restrictions on the size of mesh or net size for cast nets, umbrella nets or dip nets. Collection gear shall be hand operated.

(i) Seines used for the purpose of taking live baitfish shall not be more than five (5) feet deep.

(ii) Traps used for the purpose of taking live baitfish shall not be more than thirty-six (36) inches long, twelve (12) inches deep, twelve (12) inches wide or twelve (12) inches in diameter and the throat shall not exceed one (1) inch width.

(A) A seining license holder shall not use more than five (5) traps at a time.

(B) A holder of both a seining license and live baitfish dealer's license shall have no restriction on the number of traps that can be used.

(C) The owner's name and seining license number shall be attached to each trap while in use.

(f) Any game fish taken by trap, net or seine shall be released to the water immediately.

(g) Any baitfish captured for use as dead bait shall be killed immediately and shall not be transported live.

(h) A seining license holder shall not sell live baitfish without first possessing a valid live baitfish dealer's license.

(i) A seining license holder shall not be entitled to give live baitfish to other anglers except to other anglers in his or her fishing party for use when the seining license holder is present.

(j) Seining licenses are subject to suspension or revocation for failure to comply with the seining and trapping conditions specified in Sections 7, 19, 24, 27, 30 and 34.

(i) Any revocation of a seining license shall be subject to contested case proceedings in accordance with Wyoming Game and Fish Commission Regulation

Chapter 27, Rules Of Practice Governing Contested Cases Before The Wyoming Game and Fish Commission.

Section 8. Live Baitfish Dealers.

(a) Any person desiring to sell live baitfish shall apply for and receive a valid live baitfish dealer's license prior to selling live baitfish. Application for a live baitfish dealer's license shall be made on forms provided by the Department. The applicant shall provide information including, but not limited to, the physical location of the business and a description of facilities to be used for holding fish.

(b) No live baitfish shall be transported into the State under a live baitfish dealer license.

(c) Golden shiners and fathead minnows obtained from a licensed fish hatchery in Wyoming shall be the only live baitfish that may be sold for use throughout the State where the use of live baitfish is permitted. Other species of baitfish sold are subject to the collection and use restrictions specified in Sections 9, 19, 24, 27, 30, and 34.

(d) A live baitfish dealer of record shall be established for each live baitfish dealer's license. Employees of a live baitfish dealer are authorized to sell live baitfish at the established business location. The current year's live baitfish dealer's license shall be displayed for public viewing at the established business location. If a parent company has multiple business locations, a live baitfish dealer's license shall be required at each separate location selling live baitfish.

(e) A live baitfish dealer may sell statewide use live baitfish as specified in subsection c of this Section. In addition to the statewide use baitfish, a live baitfish dealer shall sell live baitfish for no more than one specific live baitfish location and shall be subject to collection and use restrictions specified in Sections 19, 24, 27, 30 and 34 for the live baitfish location. Live baitfish dealers selling statewide use live baitfish and live baitfish for use in a specific live baitfish location shall have separate fish holding facilities and maintain separate records for each facility.

(f) Live baitfish dealers shall issue a receipt to the buyer at the time of sale. Receipts shall be filled out completely, they shall be issued by the live baitfish dealer or an employee of the live baitfish dealer and no information on the receipt shall be completed by the buyer. The receipt shall show the dealer's name and address, the number and species of fish sold, the date of the transfer, expiration date and where the fish shall be used. Receipt forms shall be provided by the Department. Copies of the receipts shall be returned to the Department's Cheyenne Headquarters (License Section) by January 15 for sales that occurred during the prior calendar year.

(i) Live fish sold or transferred to live baitfish dealers for resale may be held indefinitely by a licensed live baitfish dealer. Live baitfish dealers may receive live baitfish from holders of valid:

(A) Commercial hatchery licenses; or,

(B) Live baitfish dealer licenses.

(ii) Live baitfish sold to all others may be kept for no more than fifteen (15) consecutive days from the time of sale, except for live baitfish authorized for use throughout the state as specified in subsection c of this Section, in which case the live baitfish shall be kept for no more than thirty (30) consecutive days from the time of sale. The use of live baitfish sold for use in a specific live baitfish location shall be subject to the collection and use restrictions specified in Sections 19, 24, 27, 30 and 34. Unused live baitfish shall not be released alive and must be killed when the receipt expires.

(iii) Resale of live baitfish collected under a seining license shall be subject to the collection and use restrictions specified in Sections 19, 24, 27, 30 and 34. Specifically, they shall be used only within the areas specified on the seining license used to collect them.

(g) Department personnel may inspect the holding facilities and fish of live baitfish dealers during normal business hours.

(h) If a Department inspection discloses species of wildlife not authorized by the Department in the holding facilities of a licensed live baitfish dealer the Department may, at its discretion, order the shipment of fish or fish in the holding facility removed from Wyoming.

(i) Live baitfish dealers shall keep records, on forms provided by the Department, of who they obtained the baitfish from, numbers of live baitfish received and where the supplier obtained the live baitfish. Completed forms shall be returned to the Department's Cheyenne Headquarters (License Section) by January 15 for activities that occurred during the prior calendar year.

(j) Live baitfish dealer licenses are subject to suspension or revocation for failure to comply with provisions (a) through (h) of this section.

(i) Any revocation of a live baitfish dealer license shall be subject to contested case proceedings in accordance with Wyoming Game and Fish Commission Regulation Chapter 27, Rules Of Practice Governing Contested Cases Before The Wyoming Game and Fish Commission.

Section 9. Use of Baitfish.

(a) Waters where live baitfish may be obtained and used are designated within the regulations for the specific drainage area in Sections 19, 24, 27, 30, and 34. Possession of live baitfish is prohibited in areas or on waters where the use of live baitfish is not permitted, except while seining or trapping baitfish on waters designated within the regulations for the specific drainage area in Sections 19, 24, 27, 30, and 34. Possession of live brook stickleback (*Culaea inconstans*) is prohibited in Wyoming.

(b) Live baitfish shall not be transported out of the designated use area as listed by the Department on the seining license or live baitfish dealer license.

(c) Persons with live baitfish in possession shall produce, upon request from Department personnel, either a receipt from a licensed live baitfish dealer or a seining license verifying origin of the live baitfish.

(d) No live baitfish shall be transported into the State for use as live baitfish.

(e) Dead baitfish may be used as bait. Restrictions on the use of dead baitfish are designated within the regulations for the specific drainage area in Sections 19, 24, 27, 30, and 34. Nongame fish taken by the use of legal fishing methods during any season open for the taking of game fish may be used as dead bait. Any live baitfish captured for use as dead bait shall be killed immediately and shall not be transported live.

Section 10. Closure of Fish Holding Facilities. All fish rearing and retaining ponds used by the State including those located at state fish hatcheries, or any that may be constructed elsewhere, are closed to fishing throughout the calendar year. Temporary facilities at spawning station sites are closed to fishing during the time they are in use by the Department.

Section 11. Underwater Spear Gun Fishing.

(a) Fish may be taken by underwater spear gun fishing only in lakes.

(b) No person shall use a spear gun to take game fish under water without obtaining a fishing license.

(c) No game fish may be taken unless the underwater spear gun fisherman is completely submerged.

(d) All spears used on spear guns shall be attached to the spear gun with a lanyard with a maximum length of twenty (20) feet.

(e) Underwater spear gun fishing is not permitted within one hundred (100) yards of any designated swimming or water ski areas, boat dock, ramp or spillway.

(f) A diver's flag shall be displayed on the water when diving or underwater spear gun fishing. It shall be a rectangular flag which is either blue and white in color or red in color with a white diagonal stripe, not less than twelve (12) inches x twelve (12) inches and displayed no less than three (3) feet above the surface of the water.

(g) The creel limit on walleye taken by spear gun shall be two (2) walleye per day or in possession. All other general and water-specific creel limits shall apply.

(h) Underwater spear gun fishing is permitted for the taking of nongame fish and whitefish only in lakes in Area 1, excluding those waters in Grand Teton National Park.

Section 12. Transportation of Live Fish. No person shall transport live fish or live fish eggs from the water of capture except as provided by Commission regulations or as authorized by the Department.

Section 13. Tagging or Marking Fish. No person shall tag or mark fish and release them into the waters of the State without prior written approval from the Department.

Section 14. Ice Fishing Shelters. Any person utilizing an enclosed ice fishing shelter on the waters of the State shall label the shelter externally with the owners name and address. Any person utilizing an ice fishing shelter shall remove the shelter from the body of water before ice-out.

Section 15. Fishing Contests.

(a) Fishing contests held on waters of the State that are open to public use shall be approved and authorized in writing by the Department.

(b) Applications. Anyone desiring to hold a fishing contest shall submit an application for a permit to the Department at least thirty (30) days prior to the start of the contest on a form provided by the Department. Information on the application shall include the name of the applicant; location of the waters where the contest is to be held; the dates of the contest; the number of participants expected for the contest; the amount of the entry fee; a copy of the contest rules; and, the name, address and telephone number of the person responsible for the contest.

(c) Live Fish Releases. No person shall release live fish in a live-release fishing contest without prior written approval of the Department specifying the methods of release.

(d) Reasons for Denying Permits. Permits shall not be issued if the Department believes the fishing contest does not comply with Commission regulations, shall be harmful to the fisheries resource, or that public use facilities such as boat ramps, parking areas, campgrounds, and related facilities are inadequate to support the contest. Failure to comply with the requirements of the authorization letter for previous tournaments may result in denial of future fishing contest permits.

(e) Post-Contest Report Required. Within thirty (30) days after completion of the fishing contest, the permittee shall submit a written report to the Department on a form provided by the Department. The report shall include the number of contest participants, fisheries catch data as requested by the Department and other information requested on the form. Failure to submit this report may result in denial of future fishing contest permits.

(f) Contest-free period. The following restrictions apply for waters covered by the “Special Fishing Contest Provision”.

(i) Waters included under the “Special Fishing Contest Provision” are listed with the regulations for those drainage areas in Section 33.

(ii) The Department shall authorize contests such that each water included in the “Special Fishing Contest Provision” has at least 2 weeks that are free from fishing contests.

(iii) The specific dates which are free from contests are listed with the regulations for those drainage areas in Section 33.

Section 16. Established Check Stations. Every angler shall stop and report at established check stations that are on route to or from any fishing area. Anglers shall produce a valid license for any game fish in their possession upon request of any authorized Department representative.

Section 17. Area 1 Coverage. Area 1 means the Snake River, Salt River, Greys River, Hoback River, Gros Ventre River and Buffalo Fork River Drainages and all drainages west of the Teton and Snake River Ranges.

Section 18. Area 1 Exceptions to general provisions. Fishing is permitted as described in Sections 1 through 16 of this Chapter except as otherwise specified in this section:

(a) All waters within Area 1, unless indicated otherwise, in Fremont, Lincoln, Sublette, and Teton Counties.

(i) The creel limit on trout shall be six (6) per day or in possession.

(A) No more than three (3) shall be cutthroat trout;

(B) No more than one (1) cutthroat trout shall exceed twelve (12) inches; and,

(C) No more than one (1) trout shall exceed twenty (20) inches.
