Artificial Lighting Devices

Stop Poaching Hotline (24 hrs/7 days a week)
1-877-WGFD-TIP (Instate) or 307-777-4330 (Out of State)
or http://gf.state.wy.us

An informational guide to legal lighting devices for hunting and fishing.
**Hunting**

**Devices Allowed For Hunting**

- Fiber-optic and light gathering sights
- Sights emitting natural light (Example: Trijicon style night sights)
- Scopes with built-in rangefinders
- Battery-powered scopes that use a lighted reticle or dot projected only within the scope
- Battery-powered bow pins
- Lighted arrow nocks (Example: Lumenok)

**Prohibited Devices For Hunting**

- Spotlights/hand lights
- Laser sights – emitting visible light
- Night vision
- Infrared scopes

**Governing Authority**

**Wyoming Statute 23-3-306(b)**

“No person shall take any wildlife with the aid of or by using any artificial light or lighting device.”

**HUNTING**, Chapter 2 - Sec. 2(d) of Commission Regulations states: "Artificial Light means any man-made light or lighting device which projects a light visible to the unaided eye outside of the device, or any battery-powered device that provides an enhanced ability to see in the dark."

**FISHING**, Chapter 46-, Sec 5(d) of Commission Regulations states: "No person shall use an artificial light with the sole purpose of aiding in the attraction or taking of fish. No person shall use any device to physically extend an artificial light over the water to attract fish. It is illegal to use or attempt to use artificially lighted hooked devices. Artificial lights used for navigation, safety, preparing fishing equipment, observing fishing rods and lines and artificially lighted bobbers are legal. Artificial lights within watercraft or on the shore, which are not otherwise prohibited, are legal."

**Fishing**

**Devices Allowed For Fishing**

- Lighted strike indicators or bobbers
- Worms, baits and tackle chemically enhanced to produce light
- Lighted pole/rod tip

**Prohibited Devices For Fishing**

- Fish finders or underwater cameras that produce artificial light (when used to attract and/or take fish)
- Battery-powered light producing lures
- Submersible lights
