The custodian shall determine the estimated cost of processing the records request and require the requesting person or entity submit that amount as a retainer. (e) All Public Records Requests which require payment shall be recorded using an invoice. All payments shall be transmitted to the Fiscal Division for deposit with the State Treasurer. (g) Nothing herein shall be interpreted as requiring any fee be paid for mere examination of public records; excepting costs of electronic mining and costs of employee time to compile the records request. If examination requires non-Department owned facilities, the person making the request shall be charged the cost of providing the facilities. A Department employee shall oversee the records examination if personnel from the non-Department facility are not present. A fee for the employee’s time shall be charged.

Section 6. Request Procedures.

(a) Public Records Requests shall be submitted in writing to the Official Custodian, Office of the Director, Wyoming Game and Fish Department, 5400 Bishop Blvd., Cheyenne, WY 82006.

(a) A record may contain privileged and confidential information or information exempt from disclosure. Consequently, Public Records Requests may require review by the Department’s Attorney General Representative, and therefore may not be readily available. The Official Custodian shall notify the requester within seven (7) business days if the records are not readily available.

(b) If a routine record or Sportsmen’s List is readily available, the custodian shall release the record immediately to the requester, unless the release will impair or impede the Department’s ability to discharge its other duties or a fee is required.
(c) If a routine record or Sportsmen’s List is not readily available, the custodian shall notify the requester within seven (7) business days that the records are not readily available.
