IMPORTANT HUNTER INFORMATION
DISCLAIMER: The following sections are a condensed summary of applicable wildlife laws and other important information. This summary is in no way intended to alter the content or statutory intent of those laws. If you have any questions regarding the precise language, you can view a copy of the Wyoming State Statutes (Title 23) and Wyoming Game and Fish Commission Regulations, available at regional offices, Cheyenne Headquarters, or consult the following websites: http://wgfd.wyo.gov or http://soswy.state.wy.us or http://legisweb.state.wy.us.

ACCESS YES - DID YOU KNOW EVERY $1 DONATED = 4.6 ACRES OF HUNTING AND FISHING PUBLIC ACCESS! The Access Yes Program provides for a voluntary contribution from hunters and anglers used exclusively for providing public hunting and fishing access on private lands. Hunters and anglers can donate any whole dollar amount to Access Yes when they purchase or apply for licenses. Donations are used to increase public access to private lands and inaccessible public lands. The Access Yes Program was established in response to numerous requests that the Game and Fish Department help address the difficulties of finding places to hunt and fish. Donating to the Program does not provide or imply access to all private lands in Wyoming.

AGE RESTRICTIONS. The minimum age to take any big or trophy game animal is twelve (12) years. Any person under the age of fourteen (14) years shall at all times when hunting be accompanied by a person over the age of majority (18 years of age and older) who possesses and can exhibit a hunter safety certificate or who currently holds, or has been issued a Wyoming big game hunting license within the last five (5) years. If the person accompanying the hunter under the age of fourteen (14) years is not the parent or guardian of the hunter, the hunter shall have in his possession a permission slip signed by his parent or guardian allowing him to hunt under supervision. Each accompanying adult shall supervise not more than one (1) hunter under the age of fourteen (14) years. Any person under the age of fourteen (14) years applying for a license to hunt big or trophy game

game animals during a special archery hunting season or
during a limited quota archery season by the use of any type
of firearm. When hunting antelope, bighorn sheep, black
bear, deer, mountain goat, mountain lion, or gray wolf
where designated as a trophy game animal, an archery
hunter shall use a longbow, recurve bow or compound bow
of not less than forty (40) pounds draw weight and use an

black bears shall be in accordance with the limitations set
forth in Chapter 3, Wyoming Game and Fish Commission
Black Bear Hunting Seasons.

BEAR IDENTIFICATION EXAM. Distinguishing black bears
and grizzly bears in the wild can be challenging. Black bear
hunters are urged to test their bear observation and
identification skills online at http://wgfd.wyo.gov. This
educational ID course is intended to reduce grizzly bear
mortalities caused by mistaken identity.
CHECK STATIONS. Every hunter, angler or trapper of furbearing animals shall stop and report at every check station on route to or from the hunting, fishing or trapping area, regardless if the person has wildlife in possession. Upon request of any authorized Department representative, anyone who has been hunting, fishing or trapping shall produce a valid license and conservation stamp, if required, and special management permit, if required, for game animals, game birds, furbearing animals or fish. Even if the game meat or fish in possession has been cut and wrapped or processed, the person transporting shall stop and report at the check station. Any person transporting wildlife harvested in another state or country shall stop at check stations on their route.

No person other than archers and crossbow hunters hunting during a special archery season or limited quota archery only season shall hunt any big or trophy game animal without wearing in a visible manner one (1) or more exterior garments that shall include a hat, shirt, jacket, coat, vest or sweater of a fluorescent orange color. Fluorescent orange camouflage is legal. Muzzle-loader hunters participating in limited quota muzzle-loading seasons are required to meet the fluorescent orange requirements.

CONSERVATION STAMP REQUIRED. Each person licensed to hunt or fish in Wyoming shall purchase one (1) conservation stamp valid for the calendar year. The stamp shall be signed in ink and shall be in the possession of the person while HUNTING OR FISHING. Hunters or anglers who acquire a lifetime conservation stamp or a conservation stamp authorization from the Department’s computerized point of sale license issuance system shall not be required to meet the signature provision.

Persons holding the following licenses are exempt from the requirement to purchase a conservation stamp while exercising hunting or fishing privileges under THESE licenses:

- Daily hunting or fishing license;
- Special limited fishing permit holders; or,
- Wyoming fifty percent (50%) disabled veteran fishing license.

Persons holding the following licenses are exempt from the requirement to purchase a conservation stamp while exercising hunting or fishing privileges under ANY Wyoming license. The person shall, at all times, be in possession of the license allowing the conservation stamp exemption while in the field:

- Any Wyoming pioneer hunting or fishing license;
- Wyoming one hundred percent (100%) disabled veteran game bird, small game and fishing license;
- Military combat general elk or general deer license; or,

**DATING AND DISPLAY OF GAME ANIMAL CARCASS COUPONS.** When any big game animal, trophy game animal or turkey is killed under a license, the licensee shall detach, sign and date the proper carcass coupon and attach the coupon to the carcass in a readily visible manner, before leaving the site of the kill. When dating a carcass coupon, the entire day and month of the kill shall be completely cut out and removed. The coupon shall remain on the game animal or turkey carcass at all times until the meat undergoes processing, or on the trophy game animal hide until it reaches the hunter’s home or a taxidermist, except that during transportation of the carcass or hide the coupon may be removed to prevent its loss. If the coupon is removed for transportation of the carcass or hide, it must be completely filled out and in the possession of the person accompanying the carcass or hide at all times. While quarters or pieces of an animal are being packed from the field, the carcass coupon shall remain with the person transporting the animal.

No person shall directly or indirectly compensate a person holding himself out as engaging in the business of, or acting in the capacity of, an outfitter or a professional guide unless that person provides proof that he is a licensed outfitter or professional guide as required by this act. Any person violating this statute is guilty of a misdemeanor. Before hiring an outfitter, the Wyoming Game and Fish Department advises hunters to consult the Wyoming State Board of Outfitters and Professional Guides to verify the outfitter is licensed by the state of Wyoming. Hunters should also be aware landowners who outfit on their own deeded land, or deeded lands leased to them, are not required to be licensed as outfitters or guides. Contact: Wyoming State Board of Outfitters at 1950 Bluegrass Circle #280, Cheyenne, Wyoming, 82002 or call toll free 1-800-264-0981.

• Placement of name of outfitter and outfitter’s license number on the back of license. PERMISSION TO HUNT, FISH OR TRAP. No person shall enter upon the private property of any person to hunt, fish or trap without the permission of the owner or person in charge of the property. The license must bear the signature of the landowner, lessee or agent of the owner on whose private property he is hunting or the legitimate proof as evidence that permission to hunt has been granted.

PRECAUTIONS WHEN HUNTING IN AREAS OCCUPIED BY GRIZZLY BEARS. Hunters and anglers are reminded that many areas in and around the Bridger-Teton, Shoshone and Caribou-Targhee National Forests in northwest Wyoming are occupied by grizzly bears. The Wyoming Game and Fish Department strongly recommends individuals working and recreating in these areas take precautions, including carrying bear pepper spray, to avoid conflicts with grizzly bears. Information about human safety in occupied grizzly habitat and proper storage of food and other attractants is available from regional offices, Cheyenne Headquarters, U.S. Forest Service Offices and the Department’s website at http://wgfd.wyo.gov. Regulations concerning human activities in occupied grizzly habitat and food/carcass storage can be obtained from the U.S. Forest Service. Report conflicts with grizzly bears to the nearest regional office.

PROHIBITED ACTS. IT IS ILLEGAL TO:
• Shoot or attempt to kill any wildlife from any public road or highway. No person shall fire any firearm from, upon, along or across any public road or highway. No person shall knowingly fire any rifle from the enclosed lands of one person onto or across the enclosed lands of another without the permission of both persons.

• Carry a firearm with a cartridge therein, or take any wildlife, while intoxicated or under the influence of any controlled substance.

RIGHT TO SEARCH. Any person authorized to enforce the Game and Fish Act may seize and take into custody any wildlife that has been unlawfully taken or that is unlawfully in possession. Any person authorized to enforce the provisions of the Game and Fish Act may search without warrant, any camp, camp outfit, pack, pack outfit, pack animal, motor vehicle, boat, wagon or trailer for any wildlife that the officer has probable cause to believe was taken or is possessed unlawfully. Any person authorized to enforce the provisions of the Game and Fish Act may search with a search warrant any place or property for any wildlife that the officer may have probable cause to believe was taken or is possessed unlawfully.

SHIPPING GAME ANIMALS OUT OF STATE. No big or trophy game animal, or any part thereof, shall be shipped or transported from the state unless accompanied by the licensee who harvested the animal, in possession of a proper coupon, or unless the amount does not exceed twenty-five (25) pounds and is properly tagged with a Wyoming interstate game tag. Only twenty-five (25) pounds from any one (1) big or trophy game animal may be exported from the state except as otherwise provided; the part to be exported from the state is of a nonedible trophy or hidelike nature and properly tagged with a Wyoming interstate game tag; the big or trophy game animal was legally harvested by a nonresident and is tagged with a Wyoming interstate game tag.

SHIPPING GAME ANIMALS WITHIN WYOMING. No person shall ship, transport or receive for shipment or transportation within Wyoming any game animal, game bird, or any part thereof, unless tagged with a Wyoming interstate game tag, or unless the transportation is by a person accompanying the carcass of a big or trophy game animal who is in possession of a proper coupon, or the transportation is by a properly licensed game bird or small game hunter in possession of not more than his daily bag or possession limit.

USE OF AIRCRAFT, AUTOMOBILES, MOTORIZED AND SNOW VEHICLES AND ARTIFICIAL LIGHT FOR HUNTING OR FISHING PROHIBITED; EXCEPTION. No person shall harass, pursue, hunt, shoot or kill any Wyoming wildlife except predatory animals with, from or by use of any aircraft, automotive vehicle, trailer, motor-propelled wheeled vehicle or vehicle designed for travel over snow. No person shall use any aircraft to aid in the taking of any Wyoming wildlife, except predatory animals, whether by spotting or locating the wildlife, communicating with any person attempting to take the wildlife, or by providing other aid to any person taking the wildlife. Nothing in this subsection shall apply to the use of any aircraft by governmental agencies, their employees, contractors or designees performing any lawful duties. No person shall take any wildlife with the aid of or by using any artificial light or lighting device except that predators may be taken with the aid of an artificial light or lighting device by:

(i) A public officer authorized to and conducting predator control;
(ii) A landowner, resident manager, or person with the landowner’s or a resident manager’s written permission, to take predators, on land under the
landowner's control for the protection of his property.

It is prima facie evidence of a violation if a person uses an artificial light or lighting device in an area that may be inhabited by wildlife while having in his possession and control any device for taking wildlife. Nothing in this section shall prohibit the hunting on foot of raccoon with the aid of a handlight, provided the hunter is accompanied by a raccoon hunting dog and, if hunting on private lands, has the written permission of the landowner or his agent.

USE OF AIRCRAFT TO SPOT OR LOCATE WILDLIFE. No person shall use any aircraft to aid in the taking of any Wyoming wildlife, except predatory animals, whether by spotting or locating the wildlife, communicating with any person attempting to take the wildlife or by providing other aid to any person taking the wildlife within twenty-four (24) hours of being airborne. Nothing in this section shall apply to commercial, commuter or other aircraft used for the sole purpose of passenger transport.

VEHICLE RESTRICTIONS ON FEDERAL LAND. Sportsmen are advised that many areas of National Forest and Bureau of Land Management lands are subject to travel and vehicle use limitations to protect resources. Maps and additional information regarding these limitations are available at U.S. Forest Service, Bureau of Land Management and other agency offices near these public lands.

WILDLIFE DAMAGE MANAGEMENT STAMP. The Wyoming Legislature created the Wyoming Animal Damage Management Board to manage rabid wildlife, mitigate damage caused to livestock, wildlife and crops by predatory animals, predacious birds and depredating animals, and protect human health and safety. The legislation developed several sources of funding for the Board to carry out its responsibilities including the creation of a WILDLIFE DAMAGE MANAGEMENT STAMP. The fee for this stamp will be established annually by the Animal Damage Management Board. The stamp may be voluntarily purchased by those interested in funding the activities of the Board at all Wyoming Game and Fish Commission license selling agents, at Wyoming Game and Fish Department Regional Offices and at Cheyenne Headquarters. Purchase of the stamp is not mandatory, but does provide sportsmen a voluntary means to fund predator management.

WILDLIFE VIOLATOR COMPACT. Wyoming is a member of the Wildlife Violator Compact. The Compact enables a violator from any state that is a member of the Wildlife Violator Compact to accept a wildlife citation and proceed on his way without being required to post an appearance bond unless the violation requires MUST APPEAR and NO BOND ACCEPTED. The Compact recognizes the suspension of wildlife license privileges of any person in his home state whose license privileges have been suspended by a participating state. If you have had your privileges suspended in any of the participating states, you may lose your privileges in Wyoming, in addition to all the participating Compact states. Additional information about the Compact can be obtained by contacting the Wildlife Law Enforcement Coordinator at (307) 233-6413.

WIND RIVER RESERVATION. Only non-Indian owned, fee title lands are open to the taking of wildlife with a Wyoming license. Land status is complicated and lawful access must be investigated thoroughly. Sportsmen are advised it is their responsibility to determine land status prior to entering these areas.
