(ii) “Waste” means to leave, abandon, or allow to spoil any edible portion of meat from a big game animal, game bird, game fish or small game animal.

Section 3. Bag Limits and Numbers of Licenses. No person shall apply for or receive more than one (1) license for each big game species during any one (1) calendar year, except as otherwise provided in Commission Regulations. The maximum bag limit for big game animals and trophy game animals for any person with the proper licenses and permits shall not exceed the following number of animals: one (1) elk per license; one (1) moose per license; one (1) bighorn sheep per license; one (1) mountain goat per license; one (1) antelope per license; one (1) deer per license; one (1) black bear per license; one (1) mountain lion per license. Section 4 of this Chapter and Chapter 34, Depredation Prevention Hunting Seasons and other Commission regulations may provide for taking additional game animals with the proper licenses.

Section 4. Issuance of Deer and Antelope Limited Quota Licenses, Reduced Price Doe/Fawn Licenses, Elk Limited Quota Licenses, and Reduced Price Cow/Calf Licenses.

(a) For deer, no person shall apply for and receive more than one (1) full price deer license through the initial drawing. After the initial drawing is completed, any person may apply for and receive up to two (2) full priced deer licenses provided that at least one (1) license is a Limited Quota Type 3 any white-tailed deer license valid for Hunt Areas 10-16, 18, 22-24, 26, 34, 51, 55, 57, 59, 60, 62-66, 74-81, 88, 138-140, 142, 143 or 161. However, no person shall apply for and receive more than a total of two (2) deer licenses valid for the taking of antlered or any deer, of which not more than one (1) shall be valid for antlered or any mule deer.

(b) For deer, any person may apply for and receive a maximum of two (2) limited quota reduced price doe/fawn deer licenses through the initial drawing. In Hunt Areas 1-6, 8-15, 17-23, 26, 32, 34, 37, 39-42, 44, 45, 47, 49, 51, 65, 66, 88, 92, 97, 109, 111, 112, 116, 118, 120-122, 124, 125, 127, 157, 164, 165, 170 or 171, after the initial drawing is completed, any person may purchase up to four (4) limited quota reduced price doe/fawn deer licenses. However, no person shall apply for and receive more than a total of four (4) limited quota reduced price doe/fawn deer licenses in these Hunt Areas. In Hunt Areas 24, 27, 29, 30 or 33 after the initial drawing is completed, any person may purchase an unlimited number of limited quota reduced price doe/fawn deer licenses.

(c) For antelope, no person shall apply for and receive more than one (1) full price antelope license through the initial drawing. After the initial drawing is completed, any person may apply for and receive up to two (2) full price antelope licenses. However, no person shall apply for and receive more than a total of two (2) full price antelope licenses.

(d) For antelope, any person may apply for and receive a maximum of two (2) limited quota reduced price doe/fawn antelope licenses through the initial drawing. After the initial drawing is completed, any person may purchase up to four (4) limited quota reduced price doe/fawn antelope licenses. However, no person shall apply for and receive more than a total of four (4) limited quota reduced price doe/fawn antelope licenses.

(e) For elk, no person shall receive more than a total of two (2) elk licenses in any one (1) calendar year. Any person may apply for and receive a maximum of one (1) general or limited quota full price elk license in a calendar year. Through the initial drawing period, any person may apply for and receive a maximum of one (1) reduced price cow/calf elk license. After the initial drawing period is completed, any person may receive up to two (2) reduced price cow/calf elk licenses.

(f) For bighorn sheep, any person may apply for and receive a maximum of one (1) limited quota full price bighorn sheep license and one (1) limited quota reduced price ewe/lamb license.

(g) It is a violation to apply for and receive more than the specified number of licenses allowed by Commission regulations.

Section 5. Open Hours for Taking Big Game and Trophy Game Animals. Big game and trophy game animals may only be taken from one-half (1/2) hour before sunrise to one-half (1/2) hour after sunset.

Section 6. Retention of Evidence to Identify Sex, Species and Horn or Antler Development of Big Game Animal Harvested. Any person who takes any big game animal in a hunt area where the taking of either sex, species, or antler or horn development is controlled or prohibited by regulation shall comply with this section while said animal is in transportation from the site of the kill to the residence of the person taking the animal, or delivered to a processor for processing.

(a) In hunt areas where the taking of any big game animal is restricted to antler point or horn size by regulation, the antlers or horns shall accompany the animal as a whole, or edible portion thereof.

(b) In hunt areas where the taking of any big game animal is restricted to a specific sex of animal by regulation, either the visible external sex organs, head or antlers shall accompany the animal as a whole, or edible portion thereof.

(c) In hunt areas where the taking of a species of deer is controlled or prohibited by regulation, either the head or the tail of the deer shall accompany the animal, or edible portion thereof as evidence of the species taken.

Section 7. Dating and Display of Game Animal/Wild Turkey/Sandhill Crane Carcass Coupons.

(a) When dating a carcass coupon, the entire day and month of the kill shall be completely cut out and removed.

(b) The carcass coupon shall be attached to the carcass of any big game or wild turkey or the carcass or hide of any trophy game animal in such a manner as to be plainly visible. The carcass coupon shall be attached to the carcass of any sandhill crane taken in limited quota areas in such a manner as to be plainly visible. When the animal is in transportation, the carcass coupon may be carried by the person accompanying the carcass so that the coupon shall not be lost. While quarters or pieces of an animal are being packed from the field, the carcass coupon shall remain with the person transporting the animal.

(c) Subsections 7 (a) and (b) shall be in addition to the requirements in W.S. §23-3-104.

Section 8. Emergency Closure. Big game hunting seasons may be closed because of an emergency upon forty-eight (48) hours notice. Trophy game hunting seasons may be closed upon immediate notice.

Section 9. Established Check Stations, Mandatory Reporting. Every hunter, angler, or trapper of furbearing animals shall stop and report at every check station on route to or from the hunting, fishing or trapping area regardless if the person has wildlife in possession. Upon request of any authorized Department representative, anyone who has been hunting, fishing, or trapping shall produce a valid license and conservation stamp, if required, and special management permit, if required, for game animals, game birds, furbearing animals or fish. Even if the game meat or fish in possession has been cut and wrapped or processed, the person transporting shall stop and report at the check station. Any person transporting wildlife harvested in another state or country shall stop at check stations on their route.

(a) Check stations shall be signed and established at a point on a highway or road clearly visible at a distance of not less than two hundred (200) yards in either direction.

(b) Check stations shall be at a point where flashing warning lights shall be visible to oncoming traffic for a distance of not less than two hundred (200) yards. The emergency warning lights on a marked law enforcement vehicle or a yellow flashing light on a marked Department non-enforcement vehicle shall be in operation.

(c) At least one (1) person working the check station shall be in Department uniform.

Section 10. Placement of Name of Outfitter and Outfitter's License Number on Back of License. Any big or trophy game hunter utilizing the services of an outfitter shall legibly print the name of the outfitter, the outfitter's license number and the type of outfitter license on the back of the licensee's big or trophy game license.

Section 11. Archery Hunting. No person shall hunt big game or trophy game animals with bow and arrow during a special archery hunting season without first obtaining an archery license and the applicable hunting license. An archery license shall not be required in addition to a limited quota license to participate in a limited quota archery only season. Legal archery equipment and firearms may be used to hunt big game or trophy game animals during the regular hunting seasons as set forth in Commission regulations.

Section 12. Use of Aircraft to Spot or Locate Wildlife. No person shall use any aircraft to aid in the taking of any Wyoming wildlife, except predatory animals, whether by spotting or locating the wildlife, communicating with any person attempting to take the wildlife, or by providing other aid to any person taking the wildlife within twenty-four (24) hours of being airborne. Nothing in this Section shall apply to commercial, commuter or other aircraft used for the sole purpose of passenger transport.

Section 13. Retrieval of Edible Portions of Game Meat from the Field. The Department may require substantive proof from any person who fails to retrieve from the site of kill all edible portions of a big game animal as to why the edible portions were not removed from the field.

Section 14. Baiting of Big Game Animals Prohibited except by Qualified Persons. Any legally blind person, person confined to a wheelchair or any person hunting with a license issued pursuant to W. S. §23-1-705 (j) may place a bait for big game or take a big game animal by the use of bait.

Section 15. Transportation and Disposal of Deer, Elk and Moose Taken From Chronic Wasting Disease (CWD) Hunt Areas Within Wyoming. It shall be the purpose of this section to regulate the transportation and disposal of potentially CWD infected deer, elk and moose carcasses to areas outside of the hunt areas with CWD and potentially reduce the spread of the disease to other areas in and outside of Wyoming. Hunters may obtain current CWD information on the Department's website at <http://gf.state.wy.us>.

(a) No deer, elk or moose taken or possessed from any hunt area shall be transported to any other hunt area within Wyoming or to any other state, province or country except as provided in this section.

(b) Deer, elk and moose carcasses harvested from any hunt area in Wyoming may be transported within Wyoming to a camp, a private residence for processing, a taxidermist, a processor, or a CWD sample collection site in Wyoming, provided the head and all portions of the spinal column remain at the site of the kill or such parts are disposed of in any approved landfill in Wyoming.

(c) Except as provided in subsection (b) of this section, only the following parts of any deer, elk or moose harvested from any hunt area in Wyoming may be transported to any other hunt area in Wyoming: edible portions with no part of the spinal column or head attached; cleaned hide without the head; skull plate or antlers that have been cleaned of all meat and brain tissue; teeth; or finished taxidermy mounts.

(d) Only the following parts of any deer, elk or moose harvested from any hunt areas in Wyoming may be transported to other states, provinces or countries: edible portions with no part of the spinal column or head attached; cleaned hide without the head; skull plate or antlers that have been cleaned of all meat and brain tissue; teeth; or finished taxidermy mounts. Whole deer, elk and moose carcasses harvested from any area shall not be transported out of Wyoming.

(e) Nothing in this section shall allow for the removal of evidence of sex or species required by Section 6 of this regulation.

(f) Nothing in this section shall apply to the transportation or disposal of deer, elk and moose carcasses by any governmental agency or educational institution.

Section 16. Importation or Transportation of Deer, Elk or Moose Taken From Identified CWD Areas Outside of Wyoming.

(a) No deer, elk or moose taken from within any other state, province or country within areas designated by the appropriate jurisdictional agency as positive for CWD in either deer, elk or moose shall be imported into Wyoming except harvested deer, elk or moose carcasses may be imported or transported into Wyoming to a private residence for processing, to a taxidermist, to a processor or to a CWD sample collection site in Wyoming provided the head and all portions of the spinal column are disposed of in an approved landfill.

(b) Except as provided in subsection (a) of this Section, only the following parts of any deer, elk or moose harvested may be imported: edible portions with no part of the spinal column or head attached; cleaned hide without the head; skull plate or antlers cleaned of all meat and brain tissue; teeth; or finished taxidermy mounts that have been cleaned of all meat and brain tissue.

Section 17. Savings Clause. If any provision of this regulation shall be held to be illegal or unconstitutional, such a ruling shall not affect other provisions of this

regulation which can be given effect without the illegal or unconstitutional provision; and, to this end, the provisions of this regulation shall be severable.
