Saturday, May 9, 2015 – Friday, May 15, 2015

Note: Information in this update is intended to highlight the week’s major grizzly bear management actions and is not intended to be a comprehensive detailing of all management activities. Information in this update is draft and subject to change as details from the field become available. Finalized annual reporting of this information is published in the annual report of the Interagency Grizzly Bear Study Team available at: http://www.nrmisc.usgs.gov/products/IGBST

Verified Grizzly Bear Killed Livestock

- Verified one (1) domestic calf killed by a grizzly bear north of Dubois.
- Verified nine (9) lambs killed by a grizzly bear west of Thermopolis.

Research and Monitoring

- Documented observations of multiple family groups and individual bears throughout northwest Wyoming. Monitored activities of grizzly bear females with young.

- Captured and marked two (2) grizzly bears for monitoring purposes; samples obtained.

Bear Management (Captures, Relocations, and Removals)

- Captured and relocated a subadult male grizzly bear from a developed area near Dubois.

- Captured two non target adult male grizzly bears on private lands southwest of Cody.

- Captured and relocated a subadult male grizzly bear from private lands west of Thermopolis for killing sheep.

Law Enforcement and Related Activities

- Nothing to report.

Outreach and Education

- Staffed an educational booth at “Elk Fest” in Jackson, Wyoming.

- Presented bear safety information to approximately 20 students at a church youth camp near Tensleep, WY.
