Saturday, October 25, 2014 – Friday, October 31, 2014

Note: Information in this update is intended to highlight the week’s major grizzly bear management actions and is not intended to be a comprehensive detailing of all management activities. Information in this update is draft and subject to change as details from the field become available. Finalized annual reporting of this information is published in the annual report of the Interagency Grizzly Bear Study Team available at: http://www.nrmsc.usgs.gov/products/IGBST

Verified Grizzly Bear Killed Livestock
- Nothing to report.

Research and Monitoring
- Nothing to report.

Bear Management (Captures, Relocations, and Removals)
- Captured and removed two grizzly bears (one male, one female) from the Clark’s Fork River/Clark area.

Law Enforcement and Related Activities
- Assisted law enforcement personnel with an ongoing investigation of a grizzly bear encounter that resulted in human injury in the Cody Region.

Outreach and Education
- Attended the Yellowstone Ecosystem Subcommittee of the Interagency Grizzly Bear Committee and provided an annual update of grizzly bear conflict management and I&E efforts throughout Wyoming.

- Conducted multiple outreach and interviews with media outlets about recent grizzly bear activities in northwest Wyoming.
