

Saturday, November 12, 2011 – Friday, November 18, 2011

With the onset of denning, grizzly bear conflict activity has decreased significantly in Wyoming. This will be the last weekly update for 2011 field season unless events warrant an additional release.

Note: Information in this update is intended to highlight the week's major grizzly bear management actions and is not intended to be a comprehensive detailing of all management activities. Information in this update is draft and subject to change as details from the field become available. Finalized annual reporting of this information is published in the annual report of the Interagency Grizzly Bear Study Team available at: <http://www.nrmssc.usgs.gov/products/IGBST>
