All licensed migratory bird hunters shall possess and exhibit a National Migratory Bird Harvest Information Program (HIP) Permit. Wyoming HIP permits shall be available only on the Department’s website at http://wgfd.wyo.gov.

**MANDATORY REQUIREMENT**

Valid thru 12-31-14

Including Mourning Doves

Donate to ACCESS YES the Wyoming Game & Fish Department’s Private Land Public Wildlife (PLPW) Access Program

The PLPW Access Program provides hunting and fishing access to nearly 2 million private acres. Every dollar donated to Access Yes equals 4.6 acres of access for YOU! Donate today by calling (307) 777-4600 or when you purchase or apply for licenses.

IMPORTANT INFORMATION WITH A SUMMARY OF
FEDERAL REGULATIONS

DISCLAIMER: The following sections are a condensed summary
of applicable wildlife laws and other important information.
This summary is in no way intended to alter the content or
statutory intent of those laws. If you have any questions
regarding the precise language, you can view a copy of the
Wyoming Game and Fish Department (Department) Statutes
(Title 23) and Wyoming Game and Fish Commission
(Commission) Regulations, available at Department Regional
Offices, Cheyenne Headquarters or consult the following
websites: http://wgfd.wyo.gov or http://soswy.state.wy.us or
http://legisweb.state.wy.us.

NATIONAL MIGRATORY BIRD HARVEST INFORMATION
PROGRAM. Each licensed hunter who hunts migratory game
birds shall complete a current Wyoming validation for the
National Harvest Information Program (HIP) and shall obtain a
Wyoming HIP permit. This requirement also applies to holders
of pioneer and lifetime hunting licenses. Each licensed hunter
engaged in the act of hunting doves, ducks, geese, mergansers,
coots, rails, cranes or snipe shall be in possession of a Wyoming HIP permit. Each person obtaining a HIP permit for the purpose set forth in this section shall validate the permit by signing the person’s name in ink across the face of the permit. HIP permits expire on June 30 each year.

Wyoming HIP permits shall be available only on the Department’s website at http://wgfd.wyo.gov. In order to obtain a HIP permit, you are required to identify the species you hunted the previous year and the approximate number you harvested. Only one HIP permit is required to hunt all species for the entire migratory game bird season. HIP validations are non-transferable to other states. A separate validation is required from each state in which you hunt.

SKY-BUSTING AND RETRIEVAL OF DOWNED BIRDS. IT IS UNETHICAL AND DISRESPECTFUL TO YOUR FELLOW HUNTERS TO SHOOT AT GEESE, DUCKS AND OTHER GAME BIRDS BEYOND REASONABLE KILLING RANGES. THE LAW REQUIRES THAT YOU MAKE A REASONABLE EFFORT TO RETRIEVE AND REDUCE TO POSSESSION ANY WOUNDED OR CRIPPLED MIGRATORY GAME BIRDS YOU HAVE SHOT. IF YOU HIT A MIGRATORY GAME BIRD AND CAN SEE IT FALL OR LAND IN A LOCATION YOU CAN LEGALLY ACCESS, THEN YOU HAVE AN OBLIGATION TO SEARCH FOR THE DOWNED BIRD AND ATTEMPT TO RETRIEVE IT. IF A CRIPPLED MIGRATORY GAME BIRD LANDS ON ADJOINING PRIVATE LAND, YOU HAVE AN OBLIGATION TO SEEK THAT LANDOWNER’S PERMISSION TO RETRIEVE THE DOWNED BIRD.

ACCESS AND VEHICULAR TRAVEL ON LANDS ENROLLED IN THE DEPARTMENT’S PLPW WALK-IN AREA OR HUNTER MANAGEMENT AREA ACCESS PROGRAMS. Private lands enrolled in either the Walk-in Area or Hunter Management Area programs only grant access to hunters or anglers for the species of wildlife and for the time periods specified in Department publications. Hunters/anglers wishing to use enrolled private lands for any other wildlife species, activity or time period must obtain permission from the owner or person in charge of the property. Travel by motorized vehicle is prohibited, except as otherwise stated. Department publications or signs shall serve as official regulations of the Commission and may advise of additional restrictions. The landowner or person in charge of the property may grant permission for motorized vehicle travel contrary to Department signs or publications.

ACCESS YES - DID YOU KNOW EVERY $1 DONATED = 4.6 ACRES OF HUNTING AND FISHING PUBLIC ACCESS! The Access Yes Program provides for a voluntary contribution from hunters and anglers used exclusively for providing public hunting and fishing access on private lands. Hunters and anglers can donate any whole dollar amount to Access Yes when they purchase or apply for licenses. Donations are used to increase public access to private lands and inaccessible public lands. The Access Yes Program was established in response to numerous requests that the Department help address the difficulties of finding places to hunt and fish. Donating to the program does not provide or imply access to all private lands in Wyoming. Go to website http://wgfd.wyo.gov.

AGE RESTRICTIONS; GAME BIRDS OTHER THAN WILD TURKEY. All persons fourteen (14) years of age and older shall possess the proper license while hunting game birds in Wyoming. A resident person less than fourteen (14) years of age may take game birds without a game bird license if accompanied by an adult. A nonresident person less than fourteen (14) years of age may take game birds without a game bird license if
accompanied by an adult possessing a valid game bird license. Game birds taken by an unlicensed, nonresident person less than fourteen (14) years of age shall be applied to and limited by the daily bag and possession limits of the licensed adult in his company. A nonresident person less than fourteen (14) years of age who possesses a valid game bird license may take his own limit of game birds.

Federal regulations require all persons, regardless of age, to possess a valid state permit while hunting sandhill cranes. A resident person under fourteen (14) years of age who possesses a crane permit need not obtain a Wyoming game bird license if accompanied by an adult. A nonresident person under fourteen (14) years of age who possesses a crane permit need not obtain a Wyoming game bird license or conservation stamp if accompanied by an adult person possessing both a valid, unexpired Wyoming game bird license and a valid crane permit, in which case any crane taken by the nonresident person shall be applied to and limited by the crane permit held by the adult person in his company.

NOTE: A resident or nonresident person under fourteen (14) years of age may take a wild turkey with the proper license if accompanied by an adult.

ARCHERY. Bow and arrow or crossbow are permissible equipment to take migratory game birds. No special archery license is required to hunt migratory game birds with archery equipment; however, archers must first obtain the proper hunting license and, if required, stamps and permits for the species to be hunted. Archers must abide by the regulations established for the regular hunting season.

BANDED BIRDS; REPORTING. Banded birds provide important management information. Please report all banded birds, whether harvested or found, to the U.S. Fish and Wildlife Service at the following toll free number: 1-800-327-BAND (2263). You may also report bands at the following web address: www.pwrc.usgs.gov/bbl. You should be prepared to give the following information: band number, location (distance and direction from nearest town), and date shot or found.

CHECK STATIONS. Every hunter, angler or trapper of furbearing animals shall stop and report at every check station on route to or from the hunting, fishing or trapping area, regardless if the person has wildlife in possession. Upon request of any authorized Department representative, anyone who has been hunting, fishing or trapping shall produce a valid license and conservation stamp, if required, and special management permit, if required, for game animals, game birds, furbearing animals or fish. Even if the game meat or fish in possession has been cut and wrapped or processed, the person transporting shall stop and report at the check station. Any person transporting wildlife harvested in another state or country shall stop at check stations on their route.

CLOSED AREAS. All areas within the state of Wyoming not opened by specific order of the Commission shall be closed to the taking of migratory game birds.

CONSERVATION STAMP REQUIRED. Each person licensed to hunt or fish in Wyoming shall purchase one (1) conservation stamp valid for the calendar year. The stamp shall be signed in ink and shall be in the possession of the person while HUNTING OR FISHING. Hunters or anglers who acquire a lifetime conservation stamp or a conservation stamp authorization from the Department’s Electronic Licensing Service (ELS) shall not be required to meet the signature provision.
Persons holding the following licenses are exempt from the requirement to purchase a conservation stamp while exercising hunting or fishing privileges under THESE licenses:

- daily hunting or fishing license;
- special limited fishing permit holders;
- Wyoming fifty (50%) percent disabled veteran fishing license; or,
- licenses reissued to a veteran with disabilities.

Persons holding the following licenses are exempt from the requirement to purchase a conservation stamp while exercising hunting or fishing privileges under ANY Wyoming license. The person shall, at all times, be in possession of the license allowing the conservation stamp exemption while in the field:

- any Wyoming pioneer hunting or fishing license;
- Wyoming one hundred (100%) percent disabled veteran game bird, small game and fishing license;
- military combat general elk or general deer license; or,
- military combat game bird or small game license.

Conservation stamps may be purchased from Cheyenne Headquarters, Department Regional Offices, license selling agents throughout the state and the Department’s website at http://wgfd.wyo.gov. A lifetime conservation stamp may be purchased by applying to the Cheyenne Headquarters Office, License Section or through any Department Regional Office.

DEFINITIONS:

- “Artificial light or lighting device” means any man-made light or lighting device that projects a light visible to the unaided eye outside of the device, or any battery-powered device that provides an enhanced ability to see in the dark.
- “Central Flyway” means that portion of Wyoming east of the Continental Divide, excluding the Great Divide Basin.
- “Daily bag limit” means the maximum number of game birds, migratory game birds, waterfowl or small game animals that may be legally taken in a single day.
- “Designated road” means only established roads that are marked with a white arrow sign as open to motor vehicles. Unmarked roads not marked with a white arrow sign are closed to motor vehicles.
- “Domicile” means that place where a person has his true, fixed and permanent home to which whenever the person is temporarily absent the person has the intention of returning. To prove domicile as required by Wyoming Statutes §23-1-102 and §23-1-107 a person shall be able to establish that he: physically resides in Wyoming; has made his permanent home in Wyoming; is not residing in Wyoming for a special or temporary purpose; and, has abandoned his domicile in all other states, territories or countries.
- “Established road” means any road or trail that has been graded or constructed to carry motor vehicles or on which repeated motor vehicle traffic has created well-defined tracks. Established roads on Department managed lands, excluding lands enrolled in the PLPW Access Program, shall be marked with white arrow signs as open to motor vehicles. Established roads enrolled in the Department’s PLPW Access Program are closed to motor vehicles unless designated as open to motor vehicles by Department sign.
- “Falconry” means the sport of taking quarry by means of a trained raptor.
• "Game bird" means grouse, partridge, pheasant, ptarmigan, quail, wild turkey and migratory game birds.
• "License" means a document issued by the Department, through the authority of the Commission, to a qualified individual that grants certain privileges to take fish or wildlife in accordance with statutory or regulatory provisions.
• "Migratory game bird" means all migratory game birds defined and protected under federal law.
• "Nonresident" means any person not a resident.
• "Non-toxic shot" means steel or any federally approved non-toxic shot.
• "Orders" means orders, rules and regulations.
• "Pacific Flyway" means that portion of Wyoming west of the Continental Divide, including the Great Divide Basin.
• "Permit" means a document that grants additional privileges to an individual who possesses the proper license(s) to carry out activities not authorized by the license itself.
• "Possession limit" means the maximum number of migratory game birds, waterfowl or small game animals that may be legally in possession. Wildlife in transit or storage shall be considered in possession. For migratory game birds, when a person hunts in more than one (1) state, flyway or zone, the person’s total possession limit shall not exceed the largest possession limit prescribed for any one of the states, flyways or zones in which the hunting takes place.
• "Predacious bird" means English sparrow and starling.
• "Predatory animal" means coyote, jackrabbit, porcupine, raccoon, red fox, skunk, stray cat or gray wolf when located outside the Wolf Trophy Game Management Area and Seasonal Wolf Trophy Game Management Area as described in W.S. § 23-1-101(a)(xii)(B)(i) and (ii).
• "Protected animal" means black-footed ferret, fisher, lynx, otter, pika or wolverine.
• "Protected bird" means migratory birds as defined and protected under federal law.
• "Public road or highway" means any roadway that is open to vehicular travel by the public. The road surface, the area between the fences on a fenced public road or highway, and an area thirty (30) feet perpendicular to the edge of the road surface on an unfenced public road or highway shall be considered the public road or highway.
• "Resident" means a United States citizen or legal alien who is domiciled in Wyoming for at least one (1) full year immediately preceding making application for any resident game and fish license, preference point, permit or tag, shall not have claimed residency in any other state, territory or country for any other purpose during that one (1) year period, and meets the requirements specified in Wyoming Statutes §23-1-102 and §23-1-107.
• "Season limit" means the maximum number of migratory game birds or waterfowl that may be legally taken during the entire season.
• "Small game animal" means cottontail rabbit or snowshoe hare, and fox, gray and red squirrels.
• "Take" means hunt, pursue, catch, capture, shoot, fish, seine, trap, kill or possess, or attempt to hunt, pursue, catch, capture, shoot, fish, seine, trap, kill or possess.
• "Waterfowl" means ducks, geese, coots and mergansers.

DUPLICATE AND REPLACEMENT LICENSE ISSUED UPON LOSS OR DESTRUCTION OF ORIGINAL; PURCHASE AND FEES. When any license issued has been lost or destroyed, the licensee may secure a duplicate of the original license from any Department Regional Office, Cheyenne Headquarters or designated license selling agents. A duplicate license shall be issued if the original license was issued through the Department’s ELS and contained a carcass coupon. A replacement license shall be issued if the original license was issued through the Department’s ELS and did not contain a carcass coupon. The licensee may secure a
replacement license at Department Regional Offices, Cheyenne Headquarters and from license selling agents participating in the Department’s ELS system. The Department shall charge a fee of five dollars ($5) for each duplicate or replacement license.

FALSE SWEARING, FRAUD OR FALSE STATEMENT PROHIBITED.
No person shall procure or attempt to procure any license, tag or permit by false swearing, fraud or false statement of any kind or in any form.

FEDERAL MIGRATORY BIRD HUNTING AND CONSERVATION STAMP (FEDERAL DUCK STAMP). Federal law requires that each waterfowl hunter sixteen (16) years of age or older must carry on his/her person a valid Federal Migratory Bird Hunting and Conservation Stamp (Federal Duck Stamp) signed in ink across the face. This stamp is required to take ducks, geese and mergansers. However, a Federal Duck Stamp is not required to take mourning doves, sandhill cranes, coots, snipe, rails or crows.

HARVEST SURVEY. Each year a request to participate in the harvest survey is sent to a sample of hunters. Since a person can hunt so many species in Wyoming, some hunters may be asked to reply to more than one harvest survey questionnaire. Your reply provides critical data Department wardens and biologists use to evaluate the past hunting season and set future hunting seasons. Whether you receive an email, postcard or letter asking you to participate in a harvest survey, we appreciate your time and efforts and use the data you provide. We ask that you reply online, as per the email, postcard or letter, with your harvest survey information as soon as you are done hunting each species for the year.

HUNTER SAFETY/MENTOR PROGRAM. Except as otherwise provided, no person born on or after January 1, 1966, may take wildlife by the use of firearms on land other than that of his own family, unless that person can demonstrate they have obtained a certificate of competency and safety in the use of handling firearms. Attendance and successful completion of a hunter safety course offered by an association or governmental agency approved by the Commission satisfies the requirements of this section.

Any active member, honorably discharged past member or veteran of the armed forces of the United States and any active member or retired Wyoming peace officer qualified pursuant to W.S. § 9-1-701 - § 9-1-707 are exempt from the hunter safety requirement. This hunter safety exemption is not valid for those hunting elk within Grand Teton National Park or for those participating in the Hunter Mentor Program.

A person who has not received a certificate of competency and safety in the use of handling firearms may apply through the Department’s Hunter Mentor Program for a special authorization to take wildlife with the use of a firearm while being accompanied by a person who is at least 18 years old, acting as a mentor, who possesses or can demonstrate he has successfully completed a hunter safety course and who possesses a valid Wyoming hunting license. A special authorization issued to an individual shall be valid for one (1) year from the date of issue and shall be in the possession of the recipient at all times while in the field. The application process may be completed on the Department’s website: http://wgfd.wyo.gov. A mentor shall not provide supervision for more than one (1) person, other than immediate family members, at a time in the field and shall accompany the mentee at all times to provide constant supervision.
HUNTING WITH FALCONS. Licenses to hunt with falcons may be purchased from the Cheyenne Headquarters and Department Regional Offices. The license entitles the holder thereof to hunt, pursue and kill game birds and small game animals with the use of falcons and in accordance with Commission regulations. Persons holding the proper license to hunt with falcons may hunt, pursue and kill game birds without distinction of sex in any of the hunt areas open for the taking of game birds. Hunters must also hold a valid hunting license for the species being hunted.

LEGAL WEAPONS FOR GAME BIRDS. Except as otherwise provided, game birds, excluding blue and ruffed grouse, may only be taken by a center-fire or muzzleloading shotgun not larger than ten (10) gauge plugged to admit no more than one (1) shell in the chamber and two (2) shells in the magazine. Any shotgun, center-fire firearm, .22 WMR or .17 HMR rimfire firearm, or muzzle-loader may be used to take wild turkeys. Small game may be taken with any weapon.

LICENSE EXPIRATION. W.S. § 23-1-704. Game bird licenses expire on the last day of the calendar year in which issued.

LICENSE FRAUD PROHIBITED, INVALIDATION BY IMPROPER FEES. Department licenses, permits, stamps, tags or coupons shall not be altered by anyone other than authorized Department personnel. No license, permit, stamp, tag or coupon shall be transferred, or used for the purpose of taking wildlife, except by the individual to whom it was issued and therein named and while in that individual’s possession. No individual shall take or attempt to take any wildlife using another individual’s license, permit, stamp, tag or coupon. Any license, tag, permit or stamp shall not be valid unless the proper fees have been received by the Department. Any Wyoming Game and Fish law enforcement officer may seize as evidence any license, tag, stamp or permit that was obtained in violation of Commission regulations or Wyoming statutes.

LITTER. Spent shotgun shells are litter. Please dispose of shotgun hulls properly along with other litter.

MIGRATORY BIRDS. Migratory birds, which may be legally taken during authorized seasons by properly licensed hunters, include coots, doves, ducks, geese, mergansers, rails, sandhill cranes and snipe. A license is not required to take crows.

PERMISSION TO HUNT, FISH OR TRAP. No person shall enter upon the private property of any person to hunt, fish or trap without the permission of the owner or person in charge of the property. The license must bear the signature of the landowner, lessee or agent of the owner on whose private property the hunter is hunting or the legitimate proof as evidence that permission to hunt has been granted.

PROHIBITED ACTS. IT IS ILLEGAL TO:

- Shoot or attempt to kill any wildlife from any public road or highway. No person shall fire any firearm from, upon, along or across any public road or highway. No person shall knowingly fire any rifle from the enclosed lands of one person onto or across the enclosed lands of another without the permission of both persons.
- Use any dog to hunt, run or harass any big or trophy game animal, protected animal or fur-bearing animal except as otherwise provided by statute. The Commission shall regulate the use of dogs to take mountain lions and bobcats during hunting or trapping seasons.
• Harass, pursue, hunt, shoot or kill any Wyoming wildlife except predatory animals with, from, or by use of any flying machine, automotive vehicle, trailer, motor-propelled wheeled vehicle or vehicle designed for travel over snow. The Commission may exempt handicapped hunters from any of these provisions. It is also illegal to shoot waterfowl from a boat under power or sail - See Summary of Federal Regulations on page 10.
• Take and leave, abandon or allow any game bird, game fish or game animal (except trophy game animal), or edible portion, to intentionally or needlessly go to waste.
• Transport illegally taken wildlife across state lines; such transportation is a violation of the Federal Lacey Act.
• Abandon meat from a big game animal or game bird at a meat processing plant. Unless there is an express agreement between the processing plant and the person providing otherwise, any meat from a big game animal or game bird left at a meat processing plant for more than forty-five (45) days is prima facie evidence of a violation if written notice of the expiration of time has been attempted by the processing plant in accordance with rules and regulations promulgated by the Commission.
• Carry a firearm with a cartridge therein, or take any wildlife, while intoxicated or under the influence of any controlled substance.

PROTECTED BIRDS. Migratory birds that may not be taken, possessed, transported, sold or bartered include all migratory birds as defined and protected under federal law including, but not limited to, trumpeter swans, whooping cranes, bitterns, grebes, herons, egrets, kingfishers, loons, pelicans, seagulls, shorebirds, eagles, falcons, hawks and owls. Any insectivorous birds and songbirds not otherwise classified are protected.

RIGHT TO SEARCH. Any person authorized to enforce the Game and Fish Act may seize and take into custody any wildlife that has been unlawfully taken or that is unlawfully in possession. Any person authorized to enforce the provisions of the Game and Fish Act may search with a search warrant any place or property for any wildlife that the officer may have probable cause to believe was taken or is possessed unlawfully.

SHIPPING GAME ANIMALS OUT OF STATE. Unless otherwise exempt by statute, all game birds that are harvested by either a resident or nonresident and that are to be shipped or transported across the state line shall be accompanied by the licensee. In the event that the licensee cannot accompany the game birds across the state line, a Wyoming interstate game tag affidavit must be filled out and a Wyoming interstate game tag issued prior to shipment or transportation. All meat shipped or transported by other than the licensee shall be accompanied by a Wyoming interstate game tag.

SHIPPING GAME ANIMALS WITHIN WYOMING. No person shall ship, transport, or receive for shipment or transportation within Wyoming, any game animal, game bird, or any part thereof, unless tagged with a Wyoming interstate game tag, or unless the transportation is by a person accompanying the carcass of a big or trophy game animal who is in possession of a proper coupon; or the transportation is by a properly licensed game bird or small game hunter in possession of not more than his daily bag or possession limit.

VEHICLE RESTRICTIONS ON FEDERAL LAND. Sportsmen are advised that many areas of National Forest and Bureau of Land Management lands are subject to travel and vehicle use limitations to protect resources. Maps and additional information regarding these limitations are available at U.S.
Forest Service, Bureau of Land Management and other agency offices near these public lands.

WATERCRAFT RESTRICTIONS. Waterfowl hunters should be aware certain bodies of water within Wyoming have watercraft restrictions on them. For a list of waters that have restrictions, please check the watercraft or fishing regulations or check with your local Department Regional Office.

WILDLIFE DAMAGE MANAGEMENT STAMP. The Wyoming Legislature created the Wyoming Animal Damage Management Board to manage rabid wildlife, mitigate damage caused to livestock, wildlife and crops by predatory animals, predacious birds and depredating animals, and protect human health and safety. The legislation developed several sources of funding for the Board to carry out its responsibilities including the creation of a WILDLIFE DAMAGE MANAGEMENT STAMP. The fee for this stamp will be established annually by the Animal Damage Management Board. The stamp may be voluntarily purchased by those interested in funding the activities of the Board at all Commission license selling agents, at Department Regional Offices and at Cheyenne Headquarters. Purchase of the stamp is not mandatory, but does provide sportsmen a voluntary means to fund predator management.

WILDLIFE VIOLATOR COMPACT. Wyoming is a member of the Wildlife Violator Compact. The Compact enables a violator from any state that is a member of the Wildlife Violator Compact to accept a wildlife citation and proceed on his way without being required to post an appearance bond unless the violation requires MUST APPEAR and NO BOND ACCEPTED. The Compact recognizes the suspension of wildlife license privileges in the home state of any person whose license privileges have been suspended by a participating state. If you have had your privileges suspended in any of the participating states, you may lose your privileges in Wyoming, in addition to all the participating Compact states. Additional information about the Compact can be obtained by contacting the Wildlife Law Enforcement Coordinator at (307) 233-6413.

WIND RIVER RESERVATION. Only non-Indian owned, fee title lands are open to the taking of wildlife with a Wyoming license. Land status is complicated and lawful access must be investigated thoroughly. Sportsmen are advised it is their responsibility to determine land status prior to entering these areas.

### SUMMARY OF FEDERAL REGULATIONS

RESTRICTIONS. No person shall take migratory game birds:
- With a trap, snare, net, rifle, pistol, swivel gun, shotgun larger than a 10 gauge, punt gun, batter gun, machine gun, fishhook, poison, drug, explosive or stupefying substance;
- With a shotgun capable of holding more than three shells;
- From a sink box - a low floating device having a depression affording the hunter a means of concealment beneath the surface of the water;
- From or with the aid or use of a motor vehicle or other motor driven land conveyance, or any aircraft;
- From or by means of any motorboat or sailboat unless the motor has been completely shut off or sail furled, and the boat’s progress there from has ceased;
- By the use or aid of live decoys;
- By use of records or tapes of migratory bird calls or sounds, or electrically amplified imitations of bird calls;
- By driving, rallying or chasing birds with any motor driven land, water or air conveyance or any sailboat to put them in the range of the hunters;
• By the aid of baiting, or on, or over any baited area. As used in this paragraph, “baiting” shall mean the direct or indirect placing, exposing, depositing, distributing or scattering of salt, grain or other feed that could serve as a lure or attractant for migratory game birds to, on, or over any areas where hunters are attempting to take them; and “baited area” means any area on which salt, grain or other feed has been placed, exposed, deposited, distributed or scattered, such that salt, grain or other feed could serve as a lure or attractant for migratory game birds to, on, or over areas where hunters are attempting to take them. Any such area shall remain a baited area for 10 (ten) days following complete removal of all such salt, grain, or other feed. Refer to a copy of the federal regulation 50 CFR 20.11 revised as of October 1, 2013. A copy of 50 CFR 20.11 can be viewed at any Game and Fish Regional Office and the Cheyenne Headquarters Office.

CLOSED SEASON. No person shall take migratory game birds during the closed season.

DAILY BAG LIMIT. No person shall take in any one calendar day more than one daily bag limit. No person shall possess more than one daily bag limit while in the field, or while returning from the field to one’s car, hunting camp, home, etc.

POSSESSION OF LIVE BIRDS. Crippled birds shall be immediately killed.

SHIPPING. No person shall ship migratory game birds unless the package is marked on the outside with: (1) the name and address of the person sending the birds; (2) the name and address of the person to whom the birds are being sent; and, (3) the number of birds, by species, contained in the package.

SHOOTING OR FALCONRY HOURS. No person shall take migratory game birds except during the hours open to shooting and falconry methods as prescribed in this regulation.

TAGGING. No person shall give, put or leave any migratory game birds at any place or in the custody of another person unless the birds are tagged by the hunter with the following information:

1. The hunter’s signature.
2. The hunter’s address.
3. The total number of birds by species.
4. The dates such birds were killed.

Tagging is required if the birds are being transported by another person for the hunter, or if the birds have been left for cleaning, storage (including temporary storage), shipping or taxidermy services.

WANTON WASTE. No person shall kill or cripple any migratory game bird without making a reasonable effort to retrieve the bird and retain it in the hunter’s custody while in the field.

HUNTING ON NATIONAL WILDLIFE REFUGES. CAUTION. More restrictive regulations may apply to national wildlife refuges open to public hunting. For additional information on federal regulations, contact Special Agent-in-Charge, U.S. Fish and Wildlife Service, PO Box 25486, Denver Federal Center, Denver, CO 80225, (303) 236-7540.
THIS MAP IS FOR GENERAL REFERENCE ONLY.
Please use the written boundary descriptions in this regulation for detailed boundary information.
ME BIRD HUNTING AREAS

CENTRAL FLYWAY

CONTINENTAL DIVIDE

NUMBERS INDICATE SANDHILL CRANE HUNT AREAS
Take them close!

"Wait... wait... A-a-n-n-d-d-d... take 'em!"

When my head cleared the top of the blind, there were eight geese hovering over the decoys, their heads and feet still down, all within twenty yards of our muzzles. A flurry of shots and three were on the ground. Don turned to us with a broad grin.

“And THAT, gentlemen, is the way we do that!”

It was hard to find much fault. From an ethical point of view, we harvested our birds as humanely as possible without waste or an undignified scramble after cripples. And no one with any interest in waterfowling could deny the beauty of that five minutes, the flock working two full rounds before committing, Don sweet-talking them right into the decoys, and, at the end, the flawless shooting.

There was also a practical side. We didn’t have to spend twenty minutes running around the marsh picking up wounded birds, spooking other birds that might be looking at another hunter’s spread. We didn’t have to burn a twenty-dollar box of shells apiece for our geese, and, most important, we hadn’t educated any birds.

If every goose hunter in America gave up sky-busting tomorrow, we would reduce crippling loss, renew our commitment to the ethics of sport hunting, improve our image in the eyes of nonhunters, save expensive ammunition, AND kill more geese. So what’s stopping us?

DISTANCE ESTIMATION

One of the toughest jobs for a waterfowl hunter is to judge how far away a target is. Shooting at waterfowl out of range (sky-busting) causes a significantly higher rate of crippling than shooting at closer ranges and is not a responsible way to hunt. This applies to geese in particular. Because of their size, geese usually appear closer than they actually are.

You can use your shotgun to learn to judge distances more accurately and quickly. If the portion of a large Canada goose covered by the end of your shotgun barrel does not extend beyond the wing tips on an overhead shot, then the goose is near the maximum range of 50-55 yards. If the area of the goose covered by the barrel does not extend beyond the wrist joints of the wings, then the goose is probably 40 yards or less and is within effective killing range. The illustrations on the next page approximate what a goose’s silhouette looks like at these maximum and optimum shotgun ranges. These guidelines are intended for 12 gauge shotguns with 28-30 inch barrel lengths. Generally speaking, if you cannot see the body of a flying goose on a crossing shot outside the muzzle of the shotgun, it is beyond 55 yards and too far away to shoot at.

Along with learning to estimate distances, pattern your shotgun and the loads you hunt with, and practice to improve your shooting skills. For most shotguns and reasonable shooting ranges, CONSEP research has found that steel #8 or #8BB shot for large-bodied geese, and steel #2, #1, or #8BB shot for small- and medium-bodied geese are needed for proper penetration. These shot sizes will carry enough energy to penetrate a goose’s vital areas. In order to kill large-bodied geese, CONSEP research has found your shotgun must consistently place at least 50-55 pellets inside a 30-inch circle at the distances you shoot. In order to kill small- or medium-bodied geese, CONSEP research finds your shotgun must consistently place at least 60-65 pellets inside the 30-inch circle. Try patterning your shotgun at various distances with the appropriate pellet sizes. The distance at which the pellet count in a 30-inch circle drops below 50-55 (large geese) and 60-65 (small-medium geese) determines the maximum effective range of your shotgun with that particular load. Be a responsible hunter and practice these suggestions to reduce crippling losses and to improve the non-hunting public’s perception and acceptance of waterfowl hunting.
The shotgun barrel depicts the approximate area covered by a 12 gauge 28-30” single barrel or over/under barrel at optimum range of 40 yards or less on an overhead shot (Fig. 1) and a crossing shot (Fig 2). Fig. 3 indicates the approximate area covered at 50-55 yards on a crossing shot.

Remember ...
If your shotgun’s muzzle appears to totally cover the goose, it is too far away for a lethal shot.
If you are unsure ... DON’T SHOOT!
Section 1. Authority. This regulation is promulgated by authority of W.S. § 23-1-302 and § 23-2-105(d).

Section 2. Hunting Regulations.

(a) Federal Regulations. 16 USC 703-711 and 718a; 50 CFR 10, 50 CFR 20 revised as of October 1, 2013, which do not include any later amendments or editions of the incorporated matter, governing the hunting, taking and possession of migratory birds and migratory game birds, the requirement for a valid migratory bird hunting and conservation stamp and the requirement for state participation in the National Harvest Information Program are adopted as regulations of the Wyoming Game and Fish Commission. Violations of these federal statutes and regulations shall be violations of the Commission regulations. A copy of Title 50 of the Code of Federal Regulations can be viewed at Department Regional Offices.

(i) Automatic loading, pump, or repeating shotguns shall be plugged to admit no more than one (1) shell in the chamber and two (2) shells in the magazine.

(ii) Federal Migratory Bird Hunting and Conservation Stamp. A federal duck stamp is required for persons sixteen (16) years of age and older to hunt ducks, geese and mergansers, but a federal duck stamp is not required to hunt coots, sandhill cranes, crows, mourning doves, rail or snipe.

(iii) National Migratory Bird Harvest Information Program. Each licensed hunter who hunts migratory game birds shall complete a current Wyoming validation for the National Harvest Information Program (HIP) and shall obtain a Wyoming HIP permit. This requirement also applies to holders of pioneer and lifetime hunting licenses. Each licensed hunter engaged in the act of hunting doves, ducks, geese, mergansers, coots, rails, cranes or snipe shall be in possession of a Wyoming HIP permit. Each person obtaining a HIP permit for the purpose set forth in this section shall validate the permit by signing the person’s name in ink across the face of the permit. HIP permits expire on June 30 each year. HIP permits are not transferrable to other states. A separate validation is required from each state in which you hunt. Wyoming HIP permits shall be available only on the Department’s website at http://wgfd.wyo.gov.

(b) Evidence of Species. One fully-feathered wing or the feathered head shall remain naturally attached to the carcass as a means of identification of migratory game birds, except mourning doves, in the field and while the birds are being transported.

(c) Nontoxic Shot Restrictions.

(i) No person shall hunt cranes, ducks, geese, mergansers or coots while possessing shot shells loaded with shot other than nontoxic shot. Nontoxic shot shall also be required when hunting any game with a shotgun on all of the lands in the Springer and Table Mountain Wildlife Habitat Management Areas and on all national wildlife refuges open for hunting.

(d) Limited Quota Sandhill Crane Permits. Persons may apply for limited quota sandhill crane permits on the Department’s website at http://wgfd.wyo.gov between 8:00 a.m. July 1 and 12:00 midnight July 31, 2014. Party applications shall be accepted. Maximum party size shall be two (2). Party applications shall specify the same hunt area preference.
(e) General Sandhill Crane Permits. Beginning in 2014, permits to hunt in the general sandhill crane season (Hunt Area 7) shall be available only on the Department’s website at http://wgfd.wyo.gov.

(f) Species, Hunt Areas and Limitations, Season Dates, Shooting Hours, Closed Areas, and Bag Limit.

(g) Permits. All persons, regardless of age, hunting sandhill cranes shall possess a permit valid for the area in which they are hunting. No person shall apply for or receive more than one (1) limited quota permit to hunt sandhill cranes. A person may also obtain a permit valid for the general sandhill crane season in Hunt Area 7.

(h) Tagging Sandhill Cranes. When a sandhill crane is killed under a limited quota permit, the permittee shall detach, sign and date the proper coupon and attach the coupon to the carcass before leaving the site of kill. The coupon shall remain on the crane carcass at all times until the meat undergoes processing, except that during transportation of the carcass the coupon may be removed to prevent its loss. If the coupon is removed for transportation of the carcass, it must be in possession of the person accompanying the carcass at all times. When dating a carcass coupon, the entire wedge or block shall be cut out for the date and the month of kill. The carcass coupon shall be attached to the carcass of a crane in such a manner as to be plainly visible. Sandhill cranes killed during the general crane season in Hunt Area 7 are not required to be tagged.

Section 3. Description of Closed Areas. The areas described in this Section shall be closed for the species and dates specified in the tables in Section 2.

(a) Goshen County

(i) Hawk Springs Reservoir. Beginning where the east fence of the Union Pacific Railroad right-of-way meets the south fence enclosing Hawk Springs Reservoir; due east along said fence to Goshen County Road 51; northerly along said road to the access road to the northeast dam of the reservoir; southwesterly along said road to the northeast dam and the fence enclosing the reservoir; northwesterly along said fence to the second gate; southwesterly from said gate to the northwest corner of the
fence enclosing the reservoir; southerly along said fence to the
beginning point.

(ii) Springer Reservoir. Beginning on U.S. Highway 85 at the
George Marlatt farmhouse; westerly along the fence between
the farm land and the pasture land to the west end of the west
pump lake and Bump-Sullivan ditch; southerly along said ditch
to the Wyoming Game and Fish Department’s Springer Wildlife
Habitat Management Area (WHMA); westerly then southerly
along the Springer WHMA boundary to Parking Area 3;
southeasterly along the reservoir access road to the Game and
Fish Department buildings; due south from said buildings across
the Whispering Wings LLC property to the Fulmer family trust
pasture fence; westerly along said fence to Goshen County Road
37; southerly along said road to Goshen County Road 42;
easterly along said road to U.S. Highway 85; northerly along said
highway to the George Marlatt farmhouse. Also that portion of
the Springer WHMA south of Goshen County Road 42.

(iii) Pond No. 1 Table Mountain Wildlife Habitat Management
Area. Pond No. 1 and adjacent lands as marked by colored signs
and posts.

(iv) Miller Lake (Glomill Reservoir). Miller Lake and all lands
within three hundred (300) yards of the normal high water line.

(v) North Platte River. That portion of the North Platte River
and all lands within three hundred (300) yards of each bank of
said river located between the two river crossings of Wyoming
Highway 157.

(b) Platte County

(i) Festo Lake. Festo Lake and all lands within three hundred
(300) yards of the normal high water line shall be closed to all
migratory game bird hunting.

(ii) Wheatland Reservoir No. 1. Wheatland Reservoir No. 1
and all lands within three hundred (300) yards of the normal
high water line and all Wheatland Irrigation District lands
adjacent to the reservoir, in addition to those included in the
three hundred (300) yard closure, shall be closed to hunting.

(c) Fremont County

(i) Ocean Lake. The waters of Ocean Lake and the Wyoming
Game and Fish Commission lands within approximately one-half
(1/2) mile of the aeration system on the north side of the lake
shall be closed to migratory game bird hunting beginning
November 15 through December 31 and January 1 through
March 10 of each year. Beginning December 15 through March
10, the area shall be closed to all human presence, except for
Wyoming Game and Fish Department administrative access,
within one-half (1/2) mile of the aerator on the ice and as
marked by signs on Commission lands around the aerator.

(d) Sweetwater County

(i) Eden Reservoir. Eden Reservoir and all lands within three
hundred (300) yards of the normal high water line shall be
closed to all migratory game bird hunting.

(ii) Seedskadee National Wildlife Refuge. All lands within
Seedskadee National Wildlife Refuge shall be closed to goose
hunting during the early Canada goose season.

(e) Lincoln County

(i) Palisades Reservoir. Beginning at the junction of the
McCoy Creek Road and U.S. Highway 89; northerly on U.S.
Highway 89 for 1.6 miles to the Palisades Reservoir high water
line; westerly along said high water line to the Wyoming-Idaho
state line; southerly along said state line to the McCoy Creek
Road; southeasterly along the McCoy Creek Road to U.S.
Highway 89 shall be closed to all migratory game bird hunting.
Section 4. Shooting Hours. Shooting hours for the hunting of all migratory game birds shall be from one-half (1/2) hour before sunrise to sunset as determined from the shooting hours table in this section.

(a) 2014 Migratory Game Bird Shooting Hours Table. This table (including adjustments for daylight savings time) lists the official shooting hours (one-half (1/2) hour before sunrise to sunset) adopted by the Wyoming Game and Fish Commission for the taking of migratory game birds. (Do not use tables from other sources.)

AREA D - Crook, Goshen, Laramie, Niobrara, Platte, Weston counties

Section 5. Falconry Seasons. Migratory game birds may be taken by the use of falcons during the regular hunting season and special extended seasons in accordance with the limitations in this Section, Section 4, Section 3 and Section 2 (a), (b) and (g) and the closures identified in Section 2 (f). No person shall be in possession of any firearm while hunting with a falcon.

(a) Falconry Bag and Possession Limits. The daily bag limit shall not exceed three (3) migratory game birds in the aggregate nor shall the possession limit exceed nine (9) migratory game birds in the aggregate for falconry during the open hunting season or special extended falconry season. The falconry bag and possession limits are not in addition to the bag and possession limits listed in Section 2, Hunting Regulations.

**The daily bag and possession limits, singly or in the aggregate, may include any species and sex of ducks, geese, coots, mergansers, rail, snipe and mourning doves when seasons for these species are open.**

### Section 6. Hunt Area Descriptions.

(a) General and Limited Quota Sandhill Crane Areas.

(i) **Area 1.** All of the Bear River and Ham’s Fork River drainages in Lincoln County.

(ii) **Area 2.** All of the Salt River drainage in Lincoln County south of the McCoy Creek Road.

(iii) **Area 3.** All lands within the Bureau of Reclamation’s Eden Project in Sweetwater County.

(iv) **Area 4.** All lands within the Bureau of Reclamation’s Riverton and Boysen Unit boundaries; those lands within Boysen State Park south of Cottonwood Creek, west of Boysen Reservoir, and south of U.S. Highway 20-26; and all non-Indian owned fee title lands within the exterior boundaries of the Wind River Reservation, excluding those lands within Hot Springs County.

(v) **Area 5.** All of Uinta County.

(vi) **Area 6.** All of Big Horn, Hot Springs, Park and Washakie counties.

(vii) **Area 7.** All of Campbell, Converse, Crook, Goshen, Laramie, Niobrara, Platte and Weston counties.

WYOMING GAME AND FISH COMMISSION

By: Richard Klouda, President

Dated: April 22, 2014
Eurasian collared doves are an invasive species and as such, are not protected. Eurasian collared doves may be taken year round without limitation. Eurasian collared doves taken during the mourning dove season are not counted as part of the mourning dove daily bag and possession limits.
At the end of the season, you may receive a state waterfowl and upland game bird hunting survey and/or a Federal HIP survey. This log is provided to help you recall your early migratory game bird harvest.
