## Season Dates and Limitations

The preliminary opening dates and limitations are tentative and subject to change.

Opening dates, closing dates and limitations for big game hunting seasons are established each year in late April by the Commission. The Commission reserves the right to not issue licenses for specific hunt areas and license types if it is in the best interest of wildlife management. If an applicant applies for a hunt area and license type in which the Commission did not authorize licenses, the license fee will be refunded, but the application fee will not be refunded.

## Emergency Season Closures

Big game hunting seasons may be closed due to an emergency upon 48 hours notice. The Commission may institute an emergency closure to shorten the season in any hunt area at any time if a harvest quota is reached or if an emergency arises warranting the closure.
